Dear Mr. Anderson:

The U.S. Environmental Protection Agency Region 7 has received financial assurance documents from Glenn Springs Holdings, Inc. dated March 24, 2017, submitted on behalf of Occidental. A review of the documentation generally shows compliance with 40 CFR parts 264 and 265 and it is in accordance with the provisions specified in the Part II RCRA Permit. The EPA accepts the documents as submitted; with one request for modification to future submittals listed below; otherwise no further action pertaining to financial assurance for corrective action is required at this time.

1. The wording of the Chief Financial Officer's Letter and of the written Corporate Guarantee were modified to include corrective action, except for two minor omissions:
 - (a) Alternative II, paragraph 1. should read "Sum of current closure and post-closure and corrective action cost estimates"
 - (b) The title of the written corporate guarantee should read "CORPORATE GUARANTEE FOR CLOSURE OR POST-CLOSURE OR CORRECTIVE ACTION CARE".
